

Mohamed Naser Elged

Web Developer & Paid Media Buyer

ailged922@gmail.com | +201024757990 | Gerga, Sohag, Egypt

SUMMARY

Independent full-stack web developer and paid media buyer, specializing in building complete web solutions for the medical sector (clinic booking systems, WordPress websites) alongside running high-performing Meta and Google ad campaigns. Combines technical development skills with hands-on digital marketing expertise to deliver end-to-end solutions, from building a client's website to driving qualified leads through paid advertising. Based in Sohag/Assiut, Egypt, working directly with clients across the Egyptian market.
